

2025-2026 Fee Schedule

These fees are correct as of April 2025 and are subject to change with 1 month notice.

Service	Duration	Cost
---------	----------	------

Discovery Call (phone or MS Teams)	10 minutes	Free
---	-------------------	-------------

An opportunity to discuss current needs of your child and to find out how I can support you and your child. This is a great way to meet each other to help you decide if you would like to work together and book Assessment.

Full Assessment	Up to 90 minutes	£175
SLT Assessment Report	90 - 120 minutes (report writing time)	£175

- *Assessments are face to face sessions direct with child and parent/carer. This includes direct informal/formal play-based assessments and Clinical Case History discussion.*
- *Assessments will include verbal or written feedback to parents / carers and discussing next steps.*
- *In certain cases - Assessment sessions can be offered in two parts, e.g. 45 minutes direct with child and 45 minutes parents discussion. The proposed format will be discussed and agreed prior to completion.*

Consultation and Action Plan Report	Up to 1.5 hours (for 1:1 appointment) Up to 2.5 hours (for report writing)	£280
Consultation and Action Plan Report with Communication Resources	Up to 90 minutes (for 1:1 appointment) Up to 5.5 hours (for report writing time, software editing and resource making)	£440

- *Consultations are direct sessions with parent / carer offered remotely via MS Teams*
- *This includes Clinical Case History discussion, review of videos (of child in familiar and natural settings), in-depth discussion of current presentation and clinical need with specific focus on evidence-based practical strategies, recommendations and resources for you to begin implementing support at home and/or education settings.*
- *Videos of child can be sent to the SLT for review ahead of consultation appointments.*
- *Communication Resources include (not exclusive to) symbolised communication boards, communication books, daily visual timetable, picture and communication cards. You may choose to upgrade to this option during the session if required.*

Service	Duration	Cost
---------	----------	------

Therapy Session	45 minutes	£80
Written Therapy Plan	Up to 60 minutes (plan writing time)	£80

- Includes Summary + Action emails to parent following therapy sessions when required. Therapy sessions may be offered as face to face with child and/or Coaching-based (parent only) teletherapy sessions. Teletherapy sessions are offered via MS Teams.
- Therapy sessions are typically offered as a block of 6 sessions costing as £480 for an initial block of 6 sessions.
- Written therapy plans contain clear objectives, activity recommendations, intervention plan and strategies from home and education settings to support the child's individual's therapy goals across settings. Resources are also provided where appropriate.
- Therapy Plans are strongly recommended for children receiving support from Keyworkers, Teaching Assistants or other Education Professional.

Nursery / School Support Sessions	45 minutes (direct session)	£80
-----------------------------------	-----------------------------	-----

- Nursery / School support sessions can take place via MS Teams and involve detailed discussion on setting-based support. Individualised advice and recommendations will be discussed with key staff supporting your child.
- Discussion summary and actions are sent to staff and parents following the session.
